RE: Jan. 6th Insurrection and Domestic Terrorism – Look to the Enemy Within!

Dear Mr. Sund,

My correspondence to you is regarding the Jan. 6th Insurrection on Capitol Hill, and the ensuing Congressional Hearing on Feb. 23rd. I do not wish to rehash legitimate issues and questions that were raised by Congressional members about the responsiveness and effectiveness of the Capitol Hill police to rioting mobs—which are the same ‘management’ and ‘communication’ problems found in ALL organizations, including the US Congress. The hypocrisy of Congressional members line of questioning and accusations would be comical, if the situation were NOT so DIRE. This kind of finger pointing, shaming and witch-hunts looking for a ‘fall guy’ is TYPICAL of the Machiavellian games that characterize Washington at present. I can just imagine the events in the aftermath of the Insurrection that propelled you to immediately resign, which is my understanding you now regret. I am sorry for any ‘reprisal’ you received from Congressional members, as I appreciate the difficult position and stressful situation that Capitol Hill Police were put in and endured. Hopefully, the organization will turn the tables and start putting some HARD questions to those in Congress whose Negligence, Machiavellian games, and incessant partying and ‘couch-casting’ are at the root of the rising dissent and violence. Tweets and calls to ‘fight’ are just sparks for already filled powder kegs.

So, instead I would like to redirect the ‘conversation’ and ‘discussion’ (as the ‘intellects’ in DC like to call all their gossiping and empty rhetoric) back to the REAL issue at hand. **WHY was The Capitol attacked with a Violent Insurrection by its own citizens, with the same issues that Colonists had in legitimizing the American Revolution, as well as problems between the States which gave rise to the Civil War?!?! EVERYONE knows in their infinite wisdom the US is the GREATEST DEMOCRACY ON THE PLANET!!! Unfortunately, the ‘Bar’ on ‘Democracy’ is SO LOW that even a lowly ant couldn’t crawl under it!**

I have already documented the complicity and collusion of ‘terrorist cells’ within the security forces of the International Monetary Fund (IMF) and World Bank, as well as George Washington University (GWU), and DC Police to the situation under Racketeer Influenced and Corrupt Organizations (RICO) Act, Foreign Corrupt Practices Act (FCPA), subversion of the US Constitution, and crimes against humanity and genocide under article 6 and 7 of the Rome Statutes. And, I guess time will tell if Capitol Hill Police wish to play the ‘ignore her ‘til she goes away’ game with me in response to this letter, and the information I am communicating; in order to ‘protect’ their ‘cushy’ jobs. Or, instead will Capitol Hill

Police USE their Power, Authority and Voice to Denounce the Dire State of Affairs, and Congressional staffers.

As I keep pointing out to these other ‘security’ forces, if you REALLY think that those you are ‘protecting’ CARE that when the Violence erupts, the police officers protecting them will be risking their lives and physical safety—and leaving behind families with NO bread winner in the case of their death. **YOU are sadly mistaken.** The Narcissists and Psychopaths who have risen to power in the past 40 years in the ‘Swamp’ (including Congress) DO NOT CARE about ANYONE but themselves, and their pocket books, and why 15 years of activism work and lobbying them, has only produced a trail of letters and communications that implicates the ENTIRE city in charges under the aforementioned, instead of INCITING them to DO THEIR JOBS as provided for under the Law, Constitution, and International Conventions!! And, ALL those ‘protecting’ them are just another cog in all the ‘protection rackets’ which control the city—again upping my ‘ante’ against Swamp-dwellers under RICO!

Introduction

I have as much criticism for the actions of the Insurrectionist on Jan. 6th on Capitol Hill as I do for the ‘storming’ of Lafayette Park by the Trump Administration on June 1, 2020. I had left the demonstrations 45 minutes before Trump evacuated the Park, in order to dispersed peaceful protesters. I had gone to the demonstration hoping to find ‘leaders’ and ‘organizers’ within the movement with whom I might speak— only to be dismayed to find it was just a social gathering for a bunch of people who wanted to put up a bunch of photos on facebook to show how ‘cool’ they are. This is no different from any of the other demonstrations that I have attended in Washington. So, I hope you will Read my correspondence as a Centristic Voice and Objective Observer in the Spirit in which it is intended.

And, I hope that you will be more Diligent than your ‘brethren’ police officers in IMF security, [GWU police](#), and local DC police (and throughout the ‘Swamp’) in Reading and Understanding my lengthy correspondence to you in a world where NO ONE, including our President, can understand anything more than a ‘Dick and Jane’ Tweet. And, since NO ONE in Washington has the Reading Comprehension and Cognitive skills of even 5th graders, and even less of ‘Soccer Moms’ (aka Pit Bulls with lipstick) and REAL ‘socialite/trophy-wives’ (and NOT imposters like the ‘Real Housewives of Potomac, Orange County, Atlanta’, etc.) I have put together a visual chart and [Youtube videos](#) for all the PhDs, MBAs and Esqs who never graduated from kindergarten who are COLLUDING to:

- instill Civil Unrest in the US and globally
- subversion of the US Constitution
- assistance in the Rise of the Fourth Reich in the US, as well as export these ideologies globally

See - [Message for Sharmini Coorey & ICD Staff at the IMF RE Your RICO & FCPA Violations](#)

Narcissism of Swamp-dwellers under RICO, FCPA & Subversion of US Constitution

Everyone else in the ‘Wonderland of Alice’ may have ‘Drunk the Kool-Aid’, but NOT ME, and NOT a lot of REALLY PISSED OFF MOMS across the US, and globe! I have read from Capitol Hill police Newsletters that the department is plagued with the exact same internal mis-management, labor rights violations, and misconduct of employees as everywhere else in DC where I have worked or lived (or encountered in my research and activism work). Yet, I have NO recourse under the Law, due to all of the corruption in judicial systems, and failure of the legislative and executive branches to DO THEIR JOBS. The damage that the Narcissism Epidemic, in tandem with the rise of the Feminists, Minoritists, and Managerialists has done to social orders, with DC at the Lead, is omni-present and has effectively ‘trickled down’ to every layer of society in the city, country, and even globally. The US is NOT a ‘Great Democracy’, because Washington is OVER-FLOWING with CON-ARTISTS and SOCIAL-CLIMBERS, instead of Honest, Hard-working Workers!!!

In my writings and communications, I have CLEARLY demonstrated, with FACTS and EVIDENCE, based on the Law (instead of ‘opining’, gobbledygook, and hearsay) that workers in DC are ALL complicit to the escalating Violence through their Negligence, Apathy, and conflict of interests as they all grab for their ‘piece of the pie—in the process implicating them in violations under RICO, FCPA, and subversion of the US Constitution’. In my cases against the IMF, I have demonstrated that employees up and down the food chain there are COMPLICIT if not directly implicated in the criminal, illegal and immoral activity going on within the organization. I returned to DC in 2009 in Good Faith requesting assistance from EVERYONE; only to find NO GOOD FAITH in the ‘Swamp’. Therefore, my ONLY option has been to set EVERYONE up for a FALL under RICO, FCPA, the US Constitution, international laws—and ANY other laws or legal venues I find at my disposition!! There is a PEACEFUL solution to the problems facing the US—as I have laboriously PROVEN. However, NO ONE in the ‘Swamp’ wants a PEACEFUL solution, only Violence, blood-shed and War!

And, ‘security’ details that are protecting these groups, are complicit under the Law by their INACTION in pursuing them in the courts. Instead, like everyone else they play the ‘negotiating and negotiating’ arbitration and mediation games that are SO ‘fashionable’. ALL the mediators, arbitrators, ombudsmen, ethics advisor, etc. in the ‘Swamp’ are in for a Rude Awakening when their ‘Day of Reckoning’ comes, and their activities are examined under human rights standards, and constitutional dictates! EVERYONE in DC complains about the Sorry State of Affairs. But, NO ONE HAS THE BALLS TO DO ANYTHING ABOUT IT even with a whole slew of Laws at their disposition.

I have PROVEN that there IS A LAWFUL SOLUTION. But, NO ONE is willing to band together and TAKE LEGAL ACTION; lest they ‘offend’ the ‘big-wigs’ in power and be ‘ousted’ and marginalized, like has been done with me. The efforts of all the ‘terrorist cells’ which control DC to Silence me does fall political persecution. But, the legal community is colluding with these groups to silence me, so I have no legal recourse! EVERYONE keeps repeating the rhetoric and façade of ‘America’ being a Great Democracy, like robots and lobotomized IDIOTS that they are! But, it is ALL BS, lies and propaganda. Anthropologist, Laura Nader explains in her book, *The Life of Law*, the mediation process has done GREAT DAMAGE to the Rule of Law. And, it begs the question why she, and her ‘big-wig’ brother lawyer, Ralph Nader have not DONE anything about it—with Nader’s ‘window-dressing’ consumer protection agencies needing as much investigation for Stupidity and Negligence, as all the other ‘window-dressing’ NGOs in the cesspool.

When I returned to DC in 2009, after barely making it out of Spain alive, and looked at the conditions in which I would be forced to live; I told myself, “Well, I guess I am ‘going to the mattresses!’” That was

9-months before I wrote my blog, [ABUSE AND TORTURE GO FAR BEYOND BROKEN BONES, IT BREAKS THE HEART AND SPIRIT AND IS SO DESIGNED](#), paralleling my plight of the previous 3-years (in Spain, and again in DC) with the plight of former Colombian presidential candidate, Ingrid Betancourt, as a captive of the Colombian guerrilla captive in the Amazon jungle. And, while Ingrid may have been liberated, because she and her sister Astrid slept with and married the appropriate French ‘big-wigs’ during their lifetime—‘til this day, I continue my ‘captivity’ in the ‘Swamp’ and supposed Homeland of Democracy and Equality for All. Ingrid and Astrid Betancourt, like all the other ladder-grapplers in power, fail to understand that governments exist to SERVE the PEOPLE, instead of SERVING those in power! And, politics is about the ‘Affairs of the State’, NOT the ‘Extra-Marital Affairs of those in the State’s Government’!!! As I point out to Spanish and French nationals working and living in the DC area that I know, THEY have AS MUCH Obligation to Denounce and Combat the rampant Corruption, Lawlessness, and Immorality in their midst in their host country (the US in this case), as they do in their home countries. But, EVERYONE is ONLY interested in CASHING IN!

‘Swamp-dwellers’ Apathy & Inertia is Fomenting Violence & Extremism – Not Tweets Setting off Powder Kegs

One of my greatest problems, when I tell people that I will ‘See them in Court’, is that they KNOW the legal community is so CORRUPT and GREEDY that I will have no recourse under the Law. So, they insult me, denigrate me, or openly laugh in my face—in efforts to anger me, and incite me to ‘violence’. However, instead of inciting me to ‘violence’, and entering into a shouting match with them, I just inform them they can jump on my little ‘chou-chou’ train of cases for the international courts, and accept the consequences later on. But, they are SO confident that they are ‘Protected’ by all the corruption, that NO ONE will ever hold them to account—and they are CORRECT! The manner in which people in DC are flagrantly violating the law is TRULY DISGUSTING, and even Treasonous as Washington was created exclusively to SERVE the American people, and NOT a place for brown-nosers to bow-and-scrap to everyone, and eat a lot of free food!!

All the Narcissists and Psychopaths in power KNOW that the ONLY thing the legal community cares about is MONEY, MONEY, MONEY and CARES NOTHING about upholding the Law, Constitutions or Democratic procedure. So, they can literally get away with Murder—as Trump even admits in his 2016 Presidential campaign. This is why the downtrodden and oppressed are being pushed to Rebellion and Violence. They are tired of being exploited, denigrated, and oppressed with NO recourse under the Law. This is the same dynamic and paradigm, which the Founding Fathers Denounced, and Rebelled against, with the American Revolution and separation from Britain. In [my letter to Prince Charles](#), I quote from Robert G. Natelson in his analysis of Dickinson in his article, “The Constitutional Contributions of John Dickinson,” Penn State Law Review, Vol. 108:2,

...the law was to be kept certain, for uncertainty “RENTERS PROPERTY PRECARIOUS, and GREATLY EXPOSES US TO THE ARBITRARY DECISION OF BAD JUDGES.” He followed Beccaria’s dictum that good laws should prevent radical inequalities and “diffuse their influence universally and equally.” ...

.... Dickinson implied, people had two sorts of rights or powers—those whose exercise could harm others and those whose exercise affected only oneself. Upon entering political society, people contributed some of their rights or powers to the central authority. Ideally, those contributed should be those in the first category: Man “must submit his will, in what concerns all, to the will of the whole society, and “[th]e authority of the whole, must be coextensive with its interests.” We may think of the rights contributed as one’s “alienable rights.” When all people

yielded to society the power to injure others, then all could enjoy their retained rights more fully because everyone received protection from injury and freedom from fear. Everyone benefited as a result. This was the common good or the general welfare.

Pit-Bulls with Lipstick, Soccer Moms & Dowagers, Make CIA, FBI & Home-Land Security Officers Look Like Amateurs in the Business!

Intelligence work is YET another job that Pit-bulls with Lipstick, ‘Soccer Moms’, and Dowagers can do better than the ‘experts’, particularly when their children and communities are threatened by the STUPIDITY of those who contend to be Governing it. For 15 years, I have been sending communications and solicitations for ACTION to staffers in the US Congress, White House, State Department, UN Women, World Bank, IMF, and other NGOs and think tanks throughout the ‘Swamp’ regarding violation of rights in court systems, labor markets, housing markets, as well as case work and research in Violence Against Women as Human Rights Violations (VAWaHRV)—on top of a CRITIQUE of how, and why their practices and policies are destroying the country, as well as the world.

However, everyone is too busy attending high-level meetings, schmoozing and ladder grappling, jet-setting around the world, and stroking each other’s over-inflated egos to READ THEIR MAIL, and start DOING THEIR JOBS! The intelligence community, just like everyone else, is ONLY interested in Crisis Management and dealing with the emergencies that a lack of Good Governance is creating by institutions only interested in producing jobs for college grads that greedy, amoral universities and other ‘schools’ are churning out. As Mario Puzo, points out in his book, *The Godfather*, what the Sicilian mafia (in Italy or the US) does is NO different than the American, or any other government in existence. In fact, the drug-lords and gang-lords that have taken over the US, since its ‘Golden Age’ in the 1980s make their predecessors, the Sicilian (and other immigrant ‘mafia’ groups) look like ‘pussy cats’ and upstanding citizens. Everyone in power is so engrossed in their Machiavellian games, that they have no time for anything else, and in the process, they are digging themselves into a very deep hole!

My organization, Global Expats, is dedicated to helping expatriated families around the world integrate and assimilate into the local communities. And, one of the FIRST rules of thumb is “learn about the locals, and Who is Who in their communities.” My advantage in Washington in that regard, is that it is my ‘home town’ in a certain manner. I grew up in Tucson, AZ, then boarding school in England, before coming to the DC area in 1978 to attend Foxcroft School in Middleburg, VA and later George Washington University (GWU)—determined to forge a career as an American civil servant in the international arena. However, I left DC, and the US, in 1988 Disgusted with the cocaine-snorting, party-hardy trajectory of the city, and country, with the head-cheerleader being my former class-mate at Foxcroft, 1980 ‘Deb of the Decade’, Cornelia Guest. I had returned to DC after a harrowing domestic violence/divorce case in Spain from my ‘big-wig’ banker husband, and 20-year absence from the cesspool, had only made the problems I had fled 30 years ago MUCH, MUCH worse!

While I have been rubbing shoulders with the 10%ers and 1%ers of the world my entire life, I do not come from a ‘rich’ family. My recently departed Father was a world famous cardiologists, but was never motivated by money or material wealth; only helping others. On the other hand, my mother was ONLY interested in money, power, social climbing, and material wealth. So, I learned from a young age what spending beyond ones means and over-indebtedness does to a family—financially as well as psychologically. So, unlike so many of my former schoolmates, I had to work my way through college; mornings on Capitol Hill as an intern, and nights and weekends in restaurants and nightclubs in NW DC, while paradoxically ‘presented’ at the Washington debutante ball in 1982. The whole ‘debutante scene’ and Ball was much to my reluctance, chagrin, and anger with my mother for her insistence on spending

money that the family did not have on such STUPIDITY!! So, I know Washington, and Washingtonians (old-guard and new-guard) Very Well—particularly the Hypocrisy and Narcissism of its ruling-elite! And, they ALL know me, in one way or another!!!

So not only do I have an elevated perspective of how minimum wage people survive in the city, but also how the ‘movers and shakers’ of the city live and think. And, while restaurant staff and secretaries are considered ‘underlings’ and ‘unimportant’ by all the ‘big-wigs’, these ‘invisible’ people SEE and HEAR EVERYTHING! Not, only do they know what is going on ‘in the open’, but also behind the scenes. And, since I NEVER came back to DC to get back into a ‘Game’ I so abhor, but rather Fight for my Rights and that of my children, and constituents; I have just been Observing the SH#T SHOW, waiting for their ‘House of Cards’ to collapse, and step in to pick up the pieces. If the intelligence community does NOT Wake Up and Smell the Coffee about what is going on in their own back yards and under their noses, they will crash and burn, and take the country, and planet, down with them!

Consequences of the Ignore Her ‘Til She Goes Away Game & Couch-Casting, Under RICO, FCPA & US Constitution

For over a decade, I, and other activists and victims of court corruption and legal abuse have been sending email after email, and letter after letter; lobbying Congressional staffers on the many problems and issues—to NO AVAIL! Nowhere is the ‘Narcissism Epidemic’ (Twenge and Campbell) more evident than amongst all of the Swamp-dwellers in DC, who may have lots of MBAs and PhDs, but since they never graduated from kindergarten, Understand NOTHING about what they are supposed to be DOING!

My official communications and reports are posted on my activism websites, www.WarOnDomesticTerrorism.com and [Taking Back America for the People](http://TakingBackAmericaforthePeople.com), noting that on the VERY few times, I received a response from recipients, it was obvious that the IDIOT civil servant had NO IDEA what they were talking about under basic legal principles or basic cognitive skills. Congressional members calling into question the efficiency of Capitol Hill police should TAKE A LOOK IN THE MIRROR, as the Pot is calling the Kettle Black!!! The film, [Charlie Wilson’s War](http://CharlieWilson'sWar.com), gives a GOOD picture of the Reality of Capitol Hill and its inner-workings, rather the BS propaganda of upstanding and moral civil servants, as do a lot of other film (and books) based on true-life events of ‘Swamp-dwellers’.

All the women coming out of the woodwork at present denouncing sexual harassment and improprieties of ‘big-wigs’ and ‘powerful’ men, should also be looking at how THEIR promiscuous behavior, and willingness to participate in the common custom of ‘couch casting’ is encouraging the predatory and aggressive behavior of men. Back in the 1980s women in Washington labor markets did NOT have to ‘service’ the men, or brown-nose the women, to get ahead or survive. This FACT, exposes one of the residual damages of alpha-dominance feminism, and its detriment to women’s rights in workplaces and communities; with women, like everyone and everything else, considered nothing but commodities to be used or exploited.

NO WHERE is the ‘Narcissism Epidemic’ that has gripped the US in the past 40 years more evident than in Washington, DC—which under its Constitution and applicable laws, EXISTS to SERVE the American People at a cost of TRILLIONS and TRILLIONS of TAXPAYER’S hard-earned money! As Bill Maher once said, “what he likes about Washington is that it makes Hollywood look sincere!” The REAL culprits in the escalating violence are all of the white, black, brown, yellow, LGBT and alpha-dominance feminist factions in DC labor markets who are vying for Power and Control. They only want to become the New Masters of the Universe and World Dominators. And, they have NO understanding of the principles of Democracy or basic legal principles and doctrines, so wreak Chaos and Havoc wherever they go! And,

police departments, the military, and other security forces are filled with the same cabals, factions and terrorist cells as all the other organizations.

Trump's lawyer for his 2nd Impeachment Trial, David Schoen, was TOTALLY correct in his OUT RAGE at the gobbledygook of Congressman Raskin during the 2nd Impeachment Trials, which presented argumentation that a first-year law student would know is BS under the basic principles upon which ALL legal codes on the Planet are based!! In the past 15 years, I have been ASTOUNDED at the Lack of understanding of basic principles of Law, Commerce, Management, Common Sense, Common Decency, Common Dignity, etc. of those I have been dealing with in my activism work, as much as daily life! The CRISIS of Immoral, Unethical, Stupid, Psychopathic, and Criminal behavior in the legal community and court systems MUST without DELAY be Attacked and Combated by holding implicated parties Accountable in the Courts, even though many of these actors are 'members of the courts'. The culture of cover-up that permeates institutions and social orders is truly of crisis proportion, and is making victims of all the crimes angrier and angrier. THAT is the root cause of escalating Violence!

Judicial Independence DOES NOT mean that those in the Judiciary can 'do whatever they want'—as all the IDIOTS in the legal, political and development communities contend. This ideology is as subversive to Democracy and the US Constitution as the contention of Legislative or Executive branch 'civil servants' that they too can 'do whatever they want'. It is also as treasonous in promoting the idea that 'checks and balances' between the 3-branches means waving to each other from across the street, and 'doing lunch' and hitting the golf course, while their spouses go shopping and hang out at the swanky country clubs in NW DC and surrounding suburbs.

Fresh Meat & Jail-Bait are NO Match for Pit-bulls with Lipstick, Soccer Moms or Dowagers

The young Entitled, Narcissistic, Millennials and X Gens (who consider 'couch-casting' no Big Deal) which populate the revolving door of fresh meat being offered up to Congressional members with 'zipper problems', are too busy brown-nosing and 'blowing horns' to DO THEIR REAL JOBS—SERVING THE PEOPLE!!! Apart from working for former Senator J. Bennett Johnston (D-LA) from 1981 to 1985, I have participated in 'lobbying' of Congressional staffers in meetings organized by the California Protective Parent Association (CCPA) and Mothers of Lost Children activists from across the country, visiting with Congressional staffer after staffer after staffer, year after year after year, repeating and re-repeating the same horror stories and statistics—to NO AVAIL! I have also been sending letter after letter to staffers on The Hill with constituent requests in case work, and letters to the Americans Abroad Caucus, human rights committees, and House Finance Committee under Maxine Waters (related to my 'Beef' with the IMF, and their failure to effectively DO THEIR JOBS). But, NONE of these staffers know how to READ, and better than any of the other civil servants I have been sending communications to in the past 15 years.

As I told Gina Paone of IMF HR (who needs to be investigated under RICO and FCPA, inter alia), Rule Number One in the hiring process is to Hire someone with a Brain. If they have a Brain, you can teach them just about anything. But, if they do not have a Brain, it is a Lost Cause!!! Unfortunately, the IMF, and Washington HR personnel in general, specialize in hiring and promoting the Brainless and Lobotomized, rather than Qualified and Intelligent candidates for the job. Unfortunately, all their 'shenanigans' to marginalize the 'rich, white, American woman' has provided me Cause against them in law-suits under RICO and FCPA, and the ability to LEGALLY and PEACEFULLY 'Drain the Swamp'. I have provided ALL the analysis and legal argumentation, as well as Cause in my case study, and pending [law-suits against the IMF's Institute for Capacity Development \(ICD\) and IMF HR department](#) in order to Clean-up the place from top-to-bottom. But, NO ONE in the legal community wants to 'Rock the Boat'.

Like [Luci Herman, of Stanford Law School](#), they just laugh me off, and tell me I really should have gone to law school—before changing the subject to recipes, or sports, like everyone else. I really do not know why so much money and resources are being directed at ‘educating’ people who can memorize and pass tests; but, lack the cognitive skills to know what to do with what they have supposedly learned.

With that whole scandal alone, I can clean-up the entire organization from bottom to top. But, I cannot find any lawyers with the Brains and Brawn to go up against them. I have case after case after case, that could clean-up the ‘Wild West’ that rules the city; sending a VERY strong message to EVERYONE that their immoral and illegal behavior (no matter what their rank and station in life) WILL NOT BE TOLERATED and ‘swept under the carpet’, *comme d’habitude*, and why people are getting away with Murder (literally)! The prevalent idea that one can do as one pleases—as long as they do not get caught—provides the motivation for everyone to willingly collude in ‘protection rackets’ that turn a blind-eye to, and cover-up the indiscretions of their peers, while targeting others as scape-goats and fall-guys for the problems produced to deflect attention away from their Negligence and Stupidity. This is the standard *modus operandi* of the alpha-dominance feminists (and bullies in general) in order to deflect attention away from the REAL problems at hand—THEM!!!

Systemic Labor Rights Violations in the ‘Swamp’ & Conflicts of Interests Examined Under RICO, FCPA & US Constitution

Whereas the partying, schmoozing, cocaine-snorting, and sexual deviancy on Capitol Hill in the 1980s was DISGUSTING, what I have observed in the past 10 years there defies words. And, I hardly think that the Opioid Epidemic that grips the country is any better than the Cocaine Epidemic of the 1980s!?! Unfortunately, the CRAP on Capitol Hill is NO different than all the CRAP going on in any of the other government agencies, think tanks, NGOs (IMF, World Bank, UN included) universities, etc. in the city, with restaurateurs and conference centers laughing all the way to the bank with taxpayer’s money. And, at the same time they are contributing to the degradation of worker’s rights in the US with corporate style mismanagement and exploitation and oppression of workers. It should be noted that I found Capitol Hill Police newsletters posted on the Internet indicating that the same kind of Crap going on in workplaces throughout DC is going on in the Capitol Hill Police department. So, it begs the question of WHY cases of labor rights violations, harassment, discrimination as much as nepotism and favoritism are NOT being brought to the courts, with perpetrators being held to account?!?! Where does the conflict of interest of these ‘security forces’ in doing their part in cleaning up the cesspool, and Draining the Swamp of all the criminals and con-artists which infect it, and why the US is head towards a military dictatorship given its present trajectory?!?!

While EVERYONE recognizes that media outlets are only propaganda machines of the Right and Left, they still remain fixated to their boob-tubes and social media platforms as their ONLY source of their information. Then they become verbally abusive and even violent if ANYONE challenges what they ‘know to be true’. This is particularly true if one provides FACTS and EVIDENCE which contradicts their selective Reality. It is the RESPONSIBILITY of EVERY citizen to be INFORMED as to what their government is actually DOING and ACCOMPLISHING, as well as ANY ILLEGAL activity in which they are involved—as I have laboriously been doing for the past 15 years, if not my entire adult life!!! ALL the Truth and Reality of the situation (and ‘Big Picture’) are posted on my activism websites, which I began in 2014. So, NO ONE in DC can claim that “they did not know” about the Criminal Activity to which they have been, and are continuing to be, complicit. And, as the Nuremberg Trials clearly demonstrated, “I was just doing my job” or “I did not know” is NO DEFENSE!

As you can see in my cases for labor rights violations against the IMF, as much as their ILLEGAL practices and policies, with my deluge of letters, I establish Cause and Damage in the maze of litigation I have been preparing for the courts. EVERYONE in ICD, and IMF HR know of my activism work, as well as how I have been targeted in discriminatory practices, bullying, and harassment during my 7-year tenure there—as well as preparation of cases for the courts. And, the fact that all of these people think that I would give them a ‘free pass’ and NOT include them in my list of names for litigation, just goes to show the level of their Arrogance, as well as surety that they are part of the ‘Protected’ members of DC society; whereas I am ‘Marginalized’ and therefore effectively Disempowered as a stateless and rightless person! I remind EVERYONE that these ‘experts’ are being paid billions and billions of taxpayer’s monies to assure that economies are stable, that human rights standards are applied at national levels, and to prevent another World War. NONE of these things are being done—in fact, to the contrary!! This FACT again exposes the motivation, as well as opportunity of ‘Swamp-dwellers’, to participate in cover-up after cover-up after cover-up of the corruption that is highly enriching them, and their families. MANY people are going to lose their property, livelihood, and even freedom if the cesspool is cleaned-up. And, of course, DO NOT want their Party to be Over!

And, in establishing ‘Cause’ under RICO, I refer to the 1st head-hunter I met with upon my return to the ‘Swamp’ in 2009, who told me that she would never find me a job, because anyone interviewing me would be afraid that in 6-months I would have their job—as well as perusal of my resume in tandem with my unemployability and destitution in the ‘Swamp’. Time and time again in the past 13 year NO ONE will even accord me an interview for jobs that I am highly and uniquely qualified—including in [my job application with Congresswoman Alexandria Ocasio Cortez](#), of the House Finance Committee, and President of the World Bank (under my French nationality) in protest to the [Trump Administration’s appointee, David Malpass](#). As much as HR personnel and employers have been ‘toying with me’ and using the ‘Managerialism’ card, and misogynistic ‘reasoning’ as to my Uselessness and Unemployability due to having ‘opted-out’ of their ‘Game’; I have also been ‘toying with them’ in my job applications, establishing Cause against hundreds of think tanks, NGOs, law firms, as well as the IMF and World Bank for systemic discriminatory hiring and promotional practices, as well as violations under RICO, FCPA, and US Constitution. All the Machiavellian ‘game-players’ in DC think they are SO smart, because they have Conned their way into ‘cushy, brown-nosing’ jobs where they can play ‘queen or king-for-a-day’ and bully and harass everyone in their midst at their leisure. However, they have forgotten the Number One Rule of Machiavelli—ALWAYS find out Who your adversary is, and what ‘forces’ they have before picking a fight with them!!!!

[‘Civil Servant’ Stepford Wives & Real Housewives of Potomac are NO Match for Pit-bulls with Lipstick, Soccer Moms & Dowagers in the ‘War Within’](#)

The assumption of everyone that I am a Stupid, Brain-dead, Deposed trophy-wife and socialite, that they can kick around was a Very Big Mistake!! I am highly qualified and capable of doing ANY NUMBER of jobs, administrative positions, as much as managerial ones, in the city in private and public sectors. However, I am currently unemployed, and in the past years been continually discriminated against, as well as bullied, harassed, and even illegally fired from job after job, with NO recourse under the Law. As my younger sister, who is a Narcissist among Narcissists, recently avowed, the ‘End Game’ is that if I am kept marginalized, ostracized, and without employment; then all of my efforts will have to be focused on basic survival. Therefore, I will not have the time or energy to ‘Fight the Philistines’ as my Father used to say!

Any time I want to find out what the libertines and alpha-dominance feminists in workplaces and bankruptcy, building business-people are saying, I just have to call my younger sister. And, anytime I

want to find out what the alt-Right, alpha-dominance feminist, corporate, Stepford wives are saying, I just talk to my older sister; and for the white, male supremacists, I go to my brother. As with many American families, mine is FILLED with extremists on all sides of the political spectrums, so staffers in DC SHOULD be able to SEE the signs of these extremists when they exist. Instead, they are propagating their oppressive and corrosive ideologies and practices in their places of work (government and pseudo-government agencies), and own homes! But, as already highlighted, Washingtonians are making too much money, and accumulating too much wealth to have any incentive for the Party to End, and for the ‘Swamp’ to be DRAINED!

I know I am as angry as many of the People across the US, who are struggling to survive during the Pandemic, facing homelessness, poverty, and destitution, while those Responsible sit in their million-dollar homes complaining that they cannot jet-set, go out to restaurants, and Amuse themselves on taxpayer’s hard-earned money. When the Pandemic is over, and economies and communities are in Shambles, the People will be wanting those Responsible to be Held to Account. Unfortunately, as is habitual custom, EVERYONE will collude in cover-up after cover-up, absolving responsible parties of all wrong-doing, even giving them a promotion for ‘looks’; making the People angrier and angrier with all the BS!!!

And, they, unlike me (who has been researching and arguing all of the various issues, as well as legal implications for 15 years) do not REALLY understand why, and against whom, they are SO angry. Therefore, they will strike out in random acts of violence (looting, attacks, shootings, etc.) until they become organized and ‘leaders’ emerge from all of the infighting within and between the various factions. At that point, these groups will become more dangerous, as will their attacks. And, the policy of ‘Swamp-dwellers’ to beef-up security and beef-up security, instead of DOING THEIR JOBS and Clean-up ‘Dodge City’, will NOT be effective in the long-run. Instead, it will only increase tension between civilian populations and security forces. This in turn will cause blood-shed, when security forces engage with rioters and terrorists in order to protect the 10%ers and 1%ers who are the motor behind increasing Income-Inequality and exploitative and predatory allocation of resources—and why People are becoming more and more angry and violent! It is all a vicious circle that just escalates and escalates, so a bunch of Entitled IDIOTS can party and get laid!!

As I explain in my reports and writings, the fundamental problems facing ‘modern’ societies are:

- Managerialism (NOT capitalism or communism, which in practice are one in the same)
- Alpha-Dominance Feminism
- Minorityism
- Affirmative Action

What ‘authorities’ in the US need to start examining in ‘Domestic Terrorism’ is identifying all of the cabals and factions of white supremacists, black supremacists, brown supremacists, yellow supremacists, LGBT supremacists, male supremacists, and alpha-dominance feminist supremacists who are vying for Power and Control, instead of working for ‘Democracy’ and ‘World Peace’ as they contend. The international development community is VERY vocal about the need for a paradigm shift in the World. However, as I demonstrate—beyond any doubt—these actors are Colluding by their Actions as much as Omission of Action in maintaining the Abusive and Oppressive paradigm of the past, and full of NOTHING but ‘hot air’, empty rhetoric and false promises.

One of the reasons I came up with the idea for Global Expats is because I know ‘big-wigs’ across the globe, as well as what they are (and are NOT) doing—a perfect ‘recipe’ for a global social media

platform for FAMILIES (and NOT corporate or warmongering interests, like my counter-part ‘Expat Wives Clubs’). Unfortunately, since I was marginalized by the courts in Spain, then further marginalized in my own country by foreigners as much as Americans in the ‘Swamp’ vying for jobs and ‘riches’, I have been unable to find the capital venture funding and business partners that the project needs. Instead, I have been concentrating my efforts on its ‘meat and potatoes’, by challenging all the misogyny and violation of rights of women and children in courts, as well as social orders. The Founder of the Federation of American Women’s Club Overseas (FAWCO), Carolyn Curtis Brown, believed that “enlightened women, working cooperatively throughout the world, could do much to help achieve international peace,” and is the same basis and belief that propelled me to start Global Expats over 15 years ago.

Unfortunately, FAWCO, as well as all the other ‘Expat Wives Club’ are too busy schmoozing and ladder-grappling, like everyone else, to IMPLEMENT the mission of the Founders of the organizations in which they ‘serve’. Unfortunately, like all the other NGOs the stupidity, greed and egocentricity of its board members is implicating them ALL in serious legal liabilities under RICO, FCPA, as well as article 6 and 7 of the Rome Statutes. What all the ‘ladies’ in the ‘Swamp’ need to realize is that with Privilege comes Responsibility and Obligations—and is NOT a ‘free pass’ to be as Big a Bitch (or SOB) as all the other Narcissists and Psychopaths in Power today!

Washington in the past 50 years, since its ‘Golden Age’ (and Reaganomics ‘trickle-down’) has just repeated the same BS as seen during the ‘Gilded Age’ of the Robber Barons in the 1800s, with the ‘flappers’ of the 1920s replaced by the strip-teasing, cocaine-snorting ‘debutantes’, who since the 1980s launching of ‘Deb of the Decade’ by Cornelia Guest, have reproduced exponentially with brunettes, blacks, browns and yellows ‘minorities’ following the lead of the Dumb Blondes seeking a ‘rich husband’ or ‘fame and fortune’ in the interim years. Unfortunately, but NOT surprisingly, the \$1T FAILED ‘War on Drugs’ has just replaced the DISASTEROUS policy of ‘Prohibition’ of the 1920s, with the SAME disastrous effect on the Rule of Law as before, with other countries following suit! Of course, the CONFLICT OF INTEREST of American ‘security’ forces in CLEANING UP the MESS, and DRAINING the ‘Swamp’ FOR REAL, lies in that all of the violence and civil unrest everyone is advocating, and fomenting is PRODUCING MORE AND MORE JOBS and WEALTH for THEM, while increasing the military and ‘security’ budgets of the American government. (See [Committee on House Administration – US Capitol Police: Operations and Workforce on June 26, 2018](#)).

Unfortunately, when the ‘House of Cards’ in Washington finally collapses, this FACT, also implicates them ALL in charges under RICO, FCPA, as well as subversion of the US Constitution in order to enable the Rise of the Fourth Reich—and everyone will have to forfeit all the assets that they have so worked to accumulate, like everyone else in the ‘Swamp’. The financial conflict of interest which maintains the silence and acquiescence of ‘Swamp-dwellers’ is what will ultimately be their Demise—like is always the case throughout history with Machiavellian ‘game-players’!

Alpha-Dominance Feminists & Ladder-Grappling Narcissists are NO Match for Pit-bulls with Lipstick, Soccer Moms & Dowagers

The ‘problem with no name’, as Betty Friedan called it, is the gnawing feeling that lives and work are futile endeavors with no purpose or meaning. Betty Friedan was a bored housewife, because she lacked the inner-self and cognitive abilities to enjoy and take advantage of (without exploiting others) the opportunities afforded in life. The ‘intellects’ and ‘experts’ which have become the new ruling-elite, along with the starlets and cheerleaders seeking to be the center of attention, do not have the cognitive

abilities, nor moral integrity to appreciate life's opportunities, and instead spend their lives chasing 'brass rings' and 'easy money'.

It is well documented in all of the literature of the 'experts' that the 'End Game' of the Narcissists and Psychopaths is to incite chaos and violent outbreaks of their victims, in order to justify stricter and stricter rules and strong-arm tactics with which they can Silence their victims. This is true at the micro level as much as the macro level. In my discourse and interviews with 'security' forces they constantly claim that the problems in court systems, and plight of victims of legal abuse is "not their fault," as they are doing THEIR JOBS. And, that it is just EVERYONE ELSE who is at FAULT. However, this is NOT true, as it is WELL DOCUMENTED that 'security' forces are involved in drug-trafficking, human-trafficking, extortion, domestic violence, violent crimes, fraud, and 'protection rackets'. And, their 'colleagues' are turning a blind-eye, either because they themselves are involved in illegal and/or immoral activity, or they are well aware that 'whistleblowers' are considered 'rats' and punished and 'ousted' by those in the chain of command, while perpetrators are given a promotion—as is 'habitual custom'. (See my report, [Domestic Abuse – A Human Rights Violations & Principle of Due Diligence – an Intersectional Approach](#)).

As the UN report, "In-depth study on all forms of violence against women," clearly demonstrates, it is women in society who maintain the sexual and physical violence of men through 'norms and customs', and Washington is a PERFECT example of that phenomenon. As I demonstrate time and time again in cases against governments, and the international institutions colluding with them, it does NOT matter what laws and constitutions say. Instead, it is the wives and mothers (and secretaries) of the 'movers and shakers' who are the 'Deep State' (aka 'Invisible Hand') who determine what is 'Acceptable' and 'Unacceptable' behavior. Unfortunately, all the Bimbos (aka 'Real Housewives of Potomac') that all the MBAs and PhDs who never graduated from kindergarten have married (and divorced) and have empowered, at taxpayer's expense, are too busy hanging out at country-clubs to NOTICE or EVEN CARE about all of the AMORALITY and CORRUPTION going on Right under their Noses! And, women who have climbed the ranks to 'managerial' positions, hanging out in conference rooms looking for their next marital affair, are NO different than the BRAIN DEAD, Stepford wives they hypocritically look down their noses at as the 'parasites on society'. **However, the REAL parasites on society are all the social-climbing, gold-digging, whores who have rise to power in the past 50 years! And, NOT the Homemakers and CARING mothers and wives as THEY CONTEND!!**

[Complicity of Security Forces in Escalating Violence & Conflict of Interest in its De-Escalation](#)

As seen in [my own case-studies, and pending law-suits for labor](#) and housing rights violations, blacks, browns, and yellows, particularly the women seeking to 'Rule the Roost', are prolific in their bullying and instilling oppressive and discriminatory norms in social orders, workplaces included. In fact, it is 'Telling' that a black, alpha-dominance feminist replaced a white, male as Chief of Capitol Hill Police—without the confidence and approval of its Union. I highlight the Obligations of security forces in DC to be informed about the Integrity, Honesty, Morality of the Civil Servants they are 'Protecting' in [my recent letter to the GWU Police, Mark Thunstedt](#), as well as President of GWU, [Thomas LeBlanc](#), and his wife, [Anne LeBlanc](#), (who have ALL 'opted into' the 'ignore her 'til she goes away' game with me, and in the process joined the list of Swamp-dwellers implicated under RICO charges, *inter alia*). I am NOT threatening ANYONE with bodily harm. However, I am PROMISING them that they WILL BE HELD TO ACCOUNT! EVERYONE takes ANY kind of criticism from me as a Threat, because THAT IS THEIR MODUS OPERANDI—NOT MINE!!

In fact, if one examines the profiles of the various people receiving a copy of this letter, they are all similar to other factions of Swamp-dwellers, I have encountered. So, since everyone wants to categories ALL ‘Soccer Moms’, ‘Deposed, Trophy-Wives and Socialites’ as Brain-Dead, Bimbos, and Stepford Wives, who DESERVE whatever they ‘get’; the same ‘Rules of the Game’ apply to THEM. Please see below a small sampling of the [various factions within the Capitol Hill Police Management](#), who are representative of the various factions of ‘terrorists’ controlling the ‘Swamp’. In Spain, everyone asks “quien manda en la casa” to which the women will respond, “El CREA que manda. Pero, lo que MANDA AQUI SOY YO!”—as they castrated and enrage their husbands and sons! Women have shown that they can make it in a Man’s world. The question is, Can Men make it in a Woman’s world?!?! I THINK NOT!

White, Male-Supremacists (usually Republican voters)

Keith McFaden

Very little information about him on the Internet, except that he retired after the Insurrection, as already planned, and has been vocal about lack of Leadership, Coordination, Communication, and low moral amongst Capitol Hill police officers.

Michael A. Bolton, Inspector General of Capitol Hill Police

[January 16, 2019 - Press Release](#)

Michael A. Bolton Promoted to Head Office of Inspector General

The Capitol Police Board announced today the selection of Michael A. Bolton to be the United States Capitol Police (USCP) Inspector General, effective January 20, 2019. Under Public Law 109-55, Congress established the USCP Office of Inspector General (OIG). The Inspector General reports directly to the Capitol Police Board, and heads the OIG. The OIG supervises and conducts audits, inspections, and investigations involving USCP programs, functions, systems, and operations.

Mr. Bolton has been serving as the USCP’s Acting Inspector General since March 2018, and also has served as Assistant Inspector General for Investigations (AIGI) since August 2006.

Prior to joining the USCP OIG, Mr. Bolton served four years as the Special Agent-in-Charge, Office of Investigations for the U.S. Department of the Treasury where he primarily worked on cases of procurement fraud, and complex and sensitive criminal, administrative, and civil investigations of senior government officials and other government employees.

He also served for 21 years in the U.S. Secret Service (USSS), including nine years as a uniformed patrol officer in the Uniformed Division that included assignments in the foreign mission branch and the White House. Mr. Bolton also was assigned to numerous USSS Field Offices including Headquarters Financial Crimes Division and the Presidential Protection Division (PPD). During his USSS career, he also served as a firearms instructor, a Counter Assault Team instructor, and a PPD team leader. He was also charged with investigating bank and credit card fraud, as well as money laundering and counterfeiting cases.

“Mr. Bolton’s more than 30 years of law enforcement and auditing experience, and 16 years in the OIG community have been an asset to the USCP Office of Inspector General and the Department.

Alpha-Dominance Feminists and Minoritist (usually Democrat voters)

Yogananda D. Pittman, Acting Chief of Capitol Hill Police

Yogananda D. Pittman is an American law enforcement officer who is the acting chief of the United States Capitol Police. Pittman's selection was made on January 11, 2021, following the 2021 storming of the United States Capitol and resignation of Steven Sund.

Education - Pittman earned a Bachelor of Science degree in psychology from Morgan State University in 1999. She has a Master's degree in Public Administration from Marist College and is a student for Doctor of Public Administration at West Chester University in Pennsylvania.

Career - She joined the Capitol Police in 2001. In 2012, Pittman was among the first black female supervisors to be promoted to the rank of captain in the Capitol Police. At that time, she was responsible for over 400 officers and civilian staff. The next year, she was in charge of the security planning for the second inauguration of President Barack Obama. During her tenure, Pittman has been assigned to the United States Senate Division and most recently served as Assistant Chief of Police for Protective and Intelligence Operations. Pittman is the first woman and first African American to serve as Chief of the United States Capitol Police force, a role she accepted after the resignation of Steven Sund.

In 2020, Pittman received the Women in Federal Law Enforcement's Outstanding Advocate for Women award. On February 15, 2021 the U.S. Capitol Police Labor Union voted 92% against Acting Chief Yogananda Pittman in a vote of no confidence in her leadership.

Minoritist, 1st Generation Immigrant (usually Democrat voters)

Gus Papathanasiou, Chairman of the U.S. Capitol Police Labor Committee

Greek immigrant who grew up in New York City, with not much other information about him posted on the Internet.

NB. One of my major points for those in the development community is that the reason the European Union failed, and is breaking up in the same way that the US is, is because Corruption, Greed, and long-standing Machiavellian norms dominate the Agrarian South. Therefore, all of the 'bail-out' monies injected into Southern Europe during formation of the European Union, and adoption of the Euro, was in the end counter-productive to the North (who picked up the price tag) as well as the South, whose Greed and Corruption was only fed and nourished.

During my 20 years together with my Spanish ex-husband, living in Spain for 7-years, and the rest of the time with Spanish expat families I had more than plenty of opportunity to observe the dynamics of highly dysfunctional Southern European families, which are fundamentally the same as in dysfunctional Northern African and Middle-Eastern Muslim families. In these families most members suffer from Stockholm Syndrome, while its 'rulers' are either openly violent and aggressive, or do so subversively through Machiavellian manipulations. While SUPPORTIVE and LOVING families have a beneficial influence on family members, as well as social orders. However, when they are dysfunctional and self-destructive, they are HIGHLY detrimental to social orders, and the COMMON GOOD!

My case-study, and pending law-suits, against the Greek Restaurant, Kellari Taverna on K Street, highlights the Great Damage foreign entrepreneurs and 'business people' are doing to labor rights and commercial interests, while fomenting civil unrest and violence through their Mismanagement and exploitative and predatory business practices. As I told, one of the arrogant, Greek owners of the place, after he told me that he did not care (about the CHAOS his managers were creating), that he would START to CARE when rioters and looters started breaking his windows and looting his property. I also told him, that I would be DAMNED if I let a bunch of

foreigners come into my country to TRASH IT. Adding that my compatriots were ALREADY doing a good enough job, as it is, and NEED NO assistance from anyone else!!

To add 'fuel to the fire' this same owner told his staff when the Pandemic started that ALL he cares about is MONEY. Whereas I was trying to explain to them that while the Pandemic was SERIOUS and EVERYONE needed to 'do their part', NO ONE should become 'hysterical'! The manner that restaurant owners are CASHING IN on all of the partying, without caring a 'fig' for the Con-Job they are encouraging and enabling is DISGUSTING and CRIMINAL.

As I keep pointing out, all the foreigners who need to be rounded up and 'sent packing' from whence they came, are all the MBAs, PhDs and 'entrepreneurs' who have ONLY come to this country to CASH IN on the 'American Dream' of the Fourth Reichers on the Right and 'Libertines' on the Left (see *Death of the Liberal Class* by Chris Hedges and *Rise of the Fourth Reich* by Jim Marrs.)

None of the Other Swamp-dwellers Care, Do You?!

As I keep explaining to the 'Swamp-dwellers' complicit to the current State of Affairs, when the raping and pillaging begins in your neighborhoods and homes, I WILL NOT stand idly by (too busy with my 'shopping' or 'important meetings') and say GO AHEAD, I DON'T CARE! When Melania Trump wore her infamous "I Don't Care! Do You?" I was Disgusted! And, responded with a blog, [AGREED: No One in 'The Swamp' Really Cares!! - BUT, I DO!! Do U?!](#) It is well documented that pompous, bankruptcy-building corporate businessmen like Donald Trump, marry (and have affairs) with younger and younger social-climbing women, who will laugh at their jokes, no matter how stupid, in exchange for 'luxury living'. This is particularly prevalent with 'foreign' women from Third World countries who are the worst whores in the cesspool, and the ONLY ones who will put up with all the BS that comes with the over inflated egos and psychopaths in Power. Expat, 'trailing-spouse' women are particularly aware of this problem, and watch their husbands 'like hawks' when the 'foreign' Bitches in Heat start looking for prey!

Washington needs a Good Dose of 'Manners and Etiquette' *a la* Emily Post to combat the Amorality and Illegality that is considered 'Normal' amongst 'Swamp-dwellers'. However, since that would entail Draining about 70% of Washington work force, there is an OBVIOUS CONFLICT OF INTEREST in anyone giving me a 'Voice'! However, in spite of all the efforts of 'Swamp-dwellers' to Shut Me Up by getting me "living in a tent on the street" as my current landlord succinctly put it, I will NOT be Intimidated, Deterred or 'Run Out of Dodge City'! And, if it is God's Will that I end up 'on the streets' (like Ghandi), I will be setting up 'my tent' at the corner of 19th and Penn. Ave., at the foot of the IMF and World Bank (a stone throw from their partners in crime, GWU and the White House) and begin a 'Occupy Penn. Ave.' movement. NO ONE is going to 'run me out of town' with their bullying and intimidations!!!

One of the reasons I KNOW the Violence will ONLY escalate is that I know to what extent there is infighting amongst the various women's rights activists and victims, and power-plays to be 'queen for a day' in the movement. And, can see the same parallels and stupidity in the Black Lives Matter and White Supremacist movement. All the 'leaders' here think 'leadership' is about getting on TV or a podium and giving a speech, given awards, and be bowed and scraped to by everyone around them! None of them understand that True Leadership is about Setting an Example, and putting everyone else before yourself. That is the ONLY way people EVER follow a True Leader in times of trouble, instead of coercing and forcing them with strong arm tactics and intimidations.

While I have clearly documented the fact that ‘Swamp-dwellers’ in the past 13 years have been colluding to Ostracize, Marginalize and Denigrate me in their little ‘Sati’ games, in order to prod me to ‘violence’ or suicide. And, while I have been gotten angry enough to tell a few Bitches, who I will see in Court, that they ARE a Bitch or Whore, but I have restrained from slapping them across the face—as it would be counter-productive to the process. I was trained in a Boot Camp of all Boot Camps in ‘keeping my cool’ when the Narcissistic Bitches of the world viciously attack me with snide and derogatory comments—with the intent of ‘getting me in trouble’ when I explode in anger. My younger sister is ‘queen’ in this ‘game’—and trained me WELL in not letting the Enemy get under my skin, to make me ‘lose my cool’! So, I may occasionally get angry enough to INSULT someone, and tell them what a Mother-Fer they are. Most of the time, I ‘keep my cool’, and concentrate on turning the tables, and gathering evidence against them for the courts, for their Day of Reckoning. My male-supremacists housemates during the COVID shut-down have been playing the same games with me for the past year. But, instead of responding with screaming and threats, I just collect more and more evidence against them, as well as the legal community and press covering-up for all their criminal and amoral activity!

In 2007, when my misogynistic and STUPID lawyers in Spain colluded with the courts to defraud me of all my assets, take my children and throw me in a psychiatric facility, then prison when that failed, I PROMISED that I would pursue them through EVER legal channel at my disposition—NO MATTER HOW LONG it took. My friend and neighbor asked me at the time, if that was a Threat or a Promise. To which I responded, “A Promise! I NEVER make Threats!” And, if EVERYONE since then wants to get on the ‘chou-chou’ train to the international courts, and put THEIR assets and careers on the line—that is their prerogative! I am NOT a Brain-Dead Bimbo, and NOT a woman to be ‘trifled with’. And, ANYONE who contends the contrary is in for a Rude Awakening when I finally see them in COURT!!!

My ex-husband and his family were yet another ‘Boot Camp’ for me in the training of the customs and methods of Spanish and French machista families, whose Sati traditions for victims of domestic violence are NO different than in India, or the US, or anywhere else in the world. So, I am a mind-reader when it comes to deciphering the ‘gas-lighting’ games of narcissists and psychopaths. And, one has to get up pretty early in the morning to pull the wool over my eyes. As I used to tell my sons, I have ‘eyes in the back of my head’ and SEE EVERYTHING!! So, do not think you can get away with ANYTHING—and perhaps Why they were such ‘good boys’ and ‘good men’ today! NEVER where my sons afraid of me. But, rather ‘well behaved’ because I respect, love and adore them above all else in the world, and set few, but very strict boundaries, for their security and safety. And, a simple look across the room of disapproval was ALL that I ever needed to ‘put them in line’, if they ‘strayed’ from a ‘moral’ path. THAT is what GOOD ‘POLICING’ and GOVERNANCE is ABOUT! NOT threats, bullying and strong arm tactics, with ANYONE who dares disagree with them, or dissents about their methods, and justification for those methods.

During the Congressional Hearing on the Jan. 6th Insurrection there were many references to a failure of the intelligence community to have properly foreseen the necessity for heightened security forces, lack of communication and ‘lessons to be learned’. One of the many jobs which has been ‘professionalised’ in the past century or so, was another job that homemakers and wives traditionally did in social orders—‘intelligence work’. And, my ostracization and ‘unemployability’ in the industry is yet another example of how this group is being disempowered in social orders, due to managerialism, alpha-dominance feminism, minoritism, and affirmative action, *inter alia*.

The ‘coffee morning, gossipers, and busy body, ‘Soccer Moms’, as well as the Gladys Kravitz of the world, are KEY in keeping good communication lines open, as well as provide a labor force of necessary spies and infiltrators into communities and institutions, in order to gather ‘good intel’ about the unsavory

and dangerous characters within them. These women do this, all the way from weeding out and exposing the sand box creeps, to pedophiles, sexual perverts, and petty thieves to the criminals with suitcases and ties, particularly when happened to be married to them! However, since ALL of the women in DC (be they wives and mothers, or 'big-wig' ladder-grapplers in workplaces) are Out to Lunch, literally and figuratively. NO ONE know What is Going On, and Who is Guiding the Ship, because THERE IS NO CAPTAIN ABROAD! And, by the way, the 'boat' everyone boarded starting in the 1980s, is a Titanic headed towards an Ice-berg. And, the strategy of rearranging chairs on the deck and passing out band-aids and buckets to all of the passengers is NOT A WINNING ONE!!!

Since the US does not have a Monarchy, who retains "the right to be consulted, the right to encourage, and the right to warn" (W. Bagehot); those functions fall more heavily on the upper-class, ruling-elite in the country. Unfortunately, the American ruling-elite in the past 40 years has been guided by a Narcissistic and Psychopathic 'Invisible Hand' responsible for the increasing Income Inequality amongst Americans. David Stockman's Reaganomics 'trickle down' theory has worked just as he predicted. Unfortunately, what has 'trickled down' is Immorality, Decadence, Hedonism, Narcissism, drug abuse and addiction, psychopathologies, etc., etc. And, if the US, and Planet, are going to Survive, the Narcissists and Psychopaths in Power must be exposed and expelled, rather than protected and enabled.

Accusations against Capitol Hill police as to being 'complicit' to the Insurrection on Jan. 6th are NOT unfounded, as there is a fine line between 'collusion' and 'complicity' in legal terms. However, when US federal law, constitutions, or human right conventions are applied, and the Network of actors in DC in holding up the 'House of Cards' of Corruption and Lawlessness, are examined in their entirety, the 'complicity', if not actual 'collusion' of 'Swamp-dwellers' (including security details) is very, very CLEAR!

So, like all of the other 'Swamp-dwellers' I have contacted in the past 15 years, you are at liberty to 'ignore me' hoping that I will 'go away' and ALL the problems, which plague the city, country, and world, will just miraculously disappear. Or, you can use your networks, experience, and knowledge to 'Fight Back', and expose all of the 'terrorist cells' in Washington complicit to, or directly colluding in, the fomentation of Violence in DC, as well as across the country! Take the OPPORTUNITY to REDIRECT the 'Conversation' back to the REAL ISSUES AT HAND!

One of the reasons that the 'intelligence community' (which has the same 70-90% rates of Negligence as all the other 'professions') will NEVER be able to predict when and where peaceful demonstrations might turn to riots and looting, or escalate to insurrection and squirmishes, or even random school and street shootings or jihad terrorists attacks, is because they are ONLY interested in increasing budgets, military capabilities and number of jobs for their 'buddies'. Unless one understands Who and What ones enemy or foe is, and what their ideologies, infra-structure, networks, modus operandi, and End Game are, one can NEVER predict when or where that enemy might strike, and how hard!

Since the 'intelligence community' is just interested in spying on people with better and better techy gadgets, and empowering increasingly oppressive police states, their efforts, like everyone else in the cesspool, concentrates on Crisis Management, followed by finger-pointing, witchhunts, with lots of meetings and reports to file away about 'lessons learned' and 'moving forward recommendations'. The intelligence community is just as COMPLICIT, as well as COLLUDING with staffers in the legislative, executive, and judicial branches of government who are fomenting Violence, Insurrection, and subversion of the US Constitution, as the development community.

As stated before the various groups vying for Power and Control in the US are divided amongst factions and cabals of the white, black, brown, yellow, LGBT, feminists, and male supremacists. However, lines

between these various factions are often murky, overlap, and intertwine and interconnected. So it is important to take a holistic perspective of the situation, as well as understand the motives, means, and methods of the various actors, be they leaders, instigators, or followers. The American government and People DO NOT know WHO they Enemy Against Domestic Terrorism is, Because the Enemy is Within!!!

Feminism, Minorityism & Affirmative Action Exposed

Introduction

So, to break down the various factions into ideological arenas, one must look at the Managerialists, Minoritists, Alpha-Dominance Feminists, Male Supremacists, Affirmative Actionists, and how various terrorist cells within them are colluding to foment dissaccord and conflict in their workplaces, communities, and policies and practices of their respective organizations (in order to create general chaos and anarchy in the US, and countries across the globe, and thereby the rise of dictatorial and oppressive regimes). As already stated the UN report, “In-depth study on all forms of violence against women,” clearly demonstrates that it is the women in social orders who are the ones who maintain the physical and sexual violence of the men, who are perpetrators in 90% of cases. So, I will first examine the role that alpha-dominance feminists, and their rise to power in workplaces, as much as their ideological construct and ‘End Game’, are playing in fomenting dissent and civil unrest in their sphere of influence.

Alpha-Dominance Feminists

The feminists, contrary to their rhetoric and propaganda, have NOT advanced the Rights of women (or children). But, rather have rendered women and children in western social orders stateless and rightless people, who currently have less rights than women in the East under Sharia law. The feminists are no more interested in Democratic principles than the male-supremacists, or other ‘minority’ factions vying for Power and Control in their efforts to be the New Masters of the Universe, and members of the Protected 10%ers (or with luck and conniving the 1%ers).

There is a good reason that positions of Power in the ‘public sphere’ traditionally excluded women. Narcissistic and psychopathic women are more Vicious, Machiavellian and Ruthless in power-games than men can ever be. Unfortunately, factions of alpha-dominance feminists have risen to power in the press, politics, commerce, and academia, and are all propagating lies, misinformation and propaganda about their positive contributions to social orders. History is filled with names of women Leaders, large and small—demonstrating that men (and women) follow Leaders who know how to Lead, and who inspires their confidence with that Leadership! The feminists, just like all the other ‘minorities’, want favoritism for their and their unfair share of the allocation of resources, and use lies and manipulations to further their goals.

Commonalities amongst the alpha-dominance feminists (on the alt-Left as much as alt-Right) is their adherence to:

- Managerialism
- Affirmative Action
- Narcissism (and Munchausen by proxy)
- Mandevillian economics
- Extremism and Militarism
- fomentation of violence and corruption

- policies and practices which oppress, marginalize and ostracize the ONLY foe which really threatens them and their Façade—the Caring women, particularly in the upper classes

This is why the feminists (on the alt-Right and alt-Left) are colluding to disempower the Caring and Honorable ‘ladies’ in homes, families, and workplaces through discriminatory norms and practices, bullying, hate crimes and other Machiavellian games—exposing yet again how ‘racial’ tension is NOT based on ‘race’ differences, but rather a class-struggle between the ‘haves’ and ‘have nots’. In my case-study of these dynamics in the Institute for Capacity Development (ICD) at the IMF, I demonstrate how managerialists, alpha-dominance feminists, minoritists, male supremacists, and affirmative actionists are colluding to marginalize, ostracize, and destroy ANYONE who challenges their efforts to maintain the *status quo* of widespread corruption and predatory business practices in banking systems and financial markets across the globe. The ‘whys and wherefores’ of my ‘Beef’ with the IMF’s external policies and practices is explained in [my letter to IMF Executive Directors](#), [2016 blogs](#), as well as recent [Youtube videos](#), and [letters to ICD managers](#). Unfortunately, for IMF staffers, their ‘ignore her ‘til she goes away’ game with me in response, is implicating everyone in violations under RICO and FCPA—for which they are facing seizure of all their assets, prison time, and/or expulsion from the country.

What is telling in my 2 case-studies of “[Bullying in the Workplace at the IMF](#),” is that the tactics and ‘games’ of staffers are exactly the same as their spouses, who are ONLY interested in Cashing In on the influx of taxpayer’s and shareholder’s monies investors, capital venturists and other ‘players’ are injecting into the ‘development’ community, technology industries, and urban/industrialists, whose ‘Invisible Hand’ guiding them is Corruption, Corporate Greed, and Narcissistic and Amoral social-climbers. Not only is there a concentration of power by managerialists, minoritists, alpha-dominance feminists, extremists on the Right and Left, and affirmative actionists in the IMF, World Bank, and UN in order to maintain a global *status quo* of Corruption, Violence, and Oppression. But, their spouses and off-spring are just as guilty of seeking to Cash In on the CON-JOB in the ‘Swamp’ as well as the ‘Land of Wealth and Opportunity’—aka the ‘American Dream’ as their spouses and X Gen children.

As I demonstrate with efforts to create Global Expats, as well as my BEHAVIOR and ACTIONS, foreigners living, working, or travelling to other countries have an elevated responsibility to be upstanding and law-abiding citizens, instead of profiting from the ‘protection’ of corporations and ‘diplomatic immunity’—which they interpret to mean puts them above the Law. And, since the legal community is ‘Out to Lunch’, and in fact in bed with all the Con-Artists, they are Above the Law, and greatly angering victims with the Injustice of the situation. It is well documented in academic literature on expatriated families, that it is the elevated salaries and generous benefits which propel families to move abroad. And, I know from personal experience in 40 years of ‘globe-trotting’, families from public sectors are just as Narcissistic, Psychopathic, and Exploitative as those in private sectors. Case-study after case-study of people from ALL nationalities and religions clearly demonstrate that social-mobility of Narcissistic and Psychopathic ladder-grapplers is HIGHLY detrimental to social orders, and why social mobility was traditionally restricted in social orders. However, the solution does not lie in preventing social mobility, but rather drastic reform in socialization and educational systems, which encourage FUNCTIONAL social orders, instead of DYSFUNCTIONAL and ABUSIVE social orders—as is currently the case.

All of the Managerialist MBAs and PhDs which have risen to power in the past 50 years in Washington have thoroughly embraced the exploitative, predatory and oppressive ideologies of the 1980s and ‘Golden Age’ under the tutelage of social-climbing, Hollywood starlet, Nancy Reagan, as well as the ‘party-hardy’ cocaine-snorting preppies and yuppies. The REAL strength of the American People and their ability to Persevere is based on the Work Ethic of the early Puritans and Quakers who founded the Original

Colonies—and NOT the immigrant populations who followed seeking Opportunity in the Land of ‘Milk and Honey’, which they interpreted to mean exploitation of the Midland Grasslands, and construction of the Wild West whose Corruption and Unfair Trade practices were fueled by the ‘Gold Rush’ and exploitive mining and drilling in the regions, which began in the 1800s.

Unfortunately, immigrant populations have just followed the lead of the Robber Barons and Industrialists who took over Control of the country in the 1800s, and which continues at present. The past 50-60 years in the US, have just been a repeat of the trajectory of the country during its ‘Gilded Age’, and all that followed, culminating in the Great Depression of the 1930s. And, when the over-inflated and bailed-out financial markets and banking systems collapse again, and all the coffers and ‘bag of tricks’ of the central banks, treasury departments, economists, and policy makers are bare, the country will fall into another Great Depression, with countries around the world following suit. This will of course escalate poverty, hunger, and anger amongst the 90%ers, who pay the price for the Greed, Corruption, and Stupidity of the 10%ers and 1%ers, who keep bailing themselves out, and shafting the People!

Unless, some SANITY, along with Manners and Etiquette, *al la* Emily Post are brought back to Washington’s ruling-elite, the city will continue on the same trajectory that led to the American Civil War, as well as WWI and WWII. This is why all of the alpha-dominance feminists, and other cabals and factions, are SO threatened by my activism work and denouncement of their ideologies and oppressive agendas. While there are many actors in academia and workplaces who need to be investigated for fomenting chaos and violence—with the list too long to include here—all of the feminist NGOs (ie. National Organization for Women (NOW), Feminist Majority Foundation (FMF), Women’s Link Worldwide (WLW), etc.) along with domestic violence NGOs (ie. National Coalition Against Domestic Violence (NCADV)) and other ‘women’s groups (ie. Federation of American Women Overseas (FAWCO), IMF Family Association (IMFFA), World Bank Family Network (WBFN)) need to be investigated and held to account for their role in fomenting and inciting corruption, civil unrest, and violence in the US, and globally. And, when the ‘House of Cards’ finally collapses, thousands and thousands of feminists are going to have to PROVE in Courts that they can “Have It All,” because I know for a FACT that THEY and their children are NOT FINE!!!

Managerialists

While the alpha-dominance feminists are In Bed with the managerialists in their efforts to become the New Masters of the Universe, factions of social-climbing, nouveau-riche managerialists are found amongst the different races, ethnic origins, nationalities, religion, sexual orientation, etc, as well. As Nancy Isenberg, author of *White Trash: The 400-Year Untold History of Class in America* points out, the American social order has been dominated by the same oppressive and classist traditions of our English forefathers (and mothers). Unfortunately, waves of immigrants in the US from around the world have imported the respective oppressive norms and customs, into the American social order, and much lauded ‘American Dream’.

As I demonstrate in my case-studies of universities and prep schools, concentrated in the East and West Coast, the ‘intellectual’ managerialists they are producing are only vying for power and a ‘piece of the pie’, and In Bed with the industrialist and corporate interest, rather than producing Egalitarian and Honorable work forces and social orders. Universities, as well as think tanks and NGOs, need to be investigated and held to account for empowering the various cabals and factions vying for Power, as much as employers in public and private sectors. As Jane Mayer, author of *Dark Money* and Jim Marrs, author of *The Rise of the Fourth Reich*, explain, in the 1960s the Koch Bros. and ‘Friends’ decided that the advances made during the ‘Civil Rights movement of the 1950s, ‘60s, and into the ‘80s simply ‘would

not do'. And, part of their 'Gold Finger' Plan to 'take back America' included inundating Washington with think tanks and NGOs, that would impart their ideologies and agendas into the American social order. As these Industrialists understood, IDEAS MATTER! And, the best way to produce Chaos and Anarchy is to inundate the social order with Cacophony and Disaccord between the different factions—and think tanks and fraudulent NGOs are a perfect vehicle with which to achieve this Objective.

And, as Chris Hedges explains in his book, *The Death of the Liberal Class*, the liberals (libertine wolves in sheep clothing) sold their souls in the 1980s. And, instead of combating the alt-Right with Constructive debate and Action, jumped on the Cacophony bandwagon with alt-Left ideologies, and think tanks, NGOs and foundations of their own! Washington, and the entire country, are without Leadership and Direction, because EVERYONE wants to be Chief. But, NO ONE wants to do any REAL work. From top to bottom, 'chiefs' want to sit around on the phones and schmooze, while barking orders and making their underlings run around like chickens with their heads cut off, while they bow and scrap to all of the over-inflated egos. The city in its entirety, and everyone in it, are exclusively dedicated to Cashing In on the biggest Con-Job ever perpetrated on the American people, and world, with Mandevillian ideologies to justify the entire MESS!

The 'zipper' problems of all the 'big-wigs' and lecherous old men in the cesspool was bad in the 1980s when I was still considered 'fresh meat'. But, it was NOTHING compared to what it is at present, with the situation getting worse and worse each passing year. And, since the feminists have started to go on the attack in the past few years with sexual harassment litigation (ie. cases against DSK, Ailes, Weinstein, Epstein, Cuomo...) to 'topple' the men, power-hungry feminists are becoming more and more powerful and oppressive. I go into the 'whys and wherefores' in my [blog series for Prince Andrew](#), and allegations against him by Virginia Guiffre in the Epstein scandal.

In 1941, American philosopher, James Burnham explained that Managerialism, NOT communism versus capitalism was the REAL problem facing the US. Unfortunately, the Powers That Be were faced with a Conflict of Interest, and instead of acknowledging, and seeking public policy solutions; attention was deflected with a Witch-hunt against Communism with the 'Red Scare'. While I have never gotten a cohesive or logical explanation as to What the specific dangers Communism (under the ideologies of Karl Marx) posed to the world by all the extremists I know. But, the alt-Right Republicans, particularly my mother, would SWEAR on the Bible that 'Communism' is EVIL, without ever being able to explain exactly WHY! Just like with my own ideological construct for a New Civil Rights movement, NO ONE will ever engage me in Intelligent or Informed discussion or debate. All they do it repeat and repeat themselves, scream and yell, and/or tell me 'Shut Up Stupid', because they know if they engage in any REAL discussion, I will chew them up and spit them out!

If one looks beyond the faulty rhetoric and propaganda surrounding Communism versus Capitalism, it becomes clear that in Reality these two 'philosophies' are not so different in practice—nor are Karl Marx's and Adam Smith's premises and logic incongruous or contradictory. The only real difference between the two is that under Communism, governments (aka the state) decide on the allocation of resources, while under Capitalism, allocation of resources are decided by 'free markets', and based on 'supply and demand' of consumers and producers. Marx, like so many other philosophers and theologians, has had his ideas and work misused and convoluted by Narcissists and Psychopaths seeking justification for their efforts to 'Rule the Roost'. Marx is considered the Father of social sciences, and policy makers and 'leaders' would do well to start examining ALL of the social sciences and their trajectories of the past centuries, as I have, in getting a holistic picture of what is going on under their noses, instead of more and more 'experts' with over inflated egos convoluting the 'Soup'.

One of the fundamental problems with Adam Smith was that his ideologies were based on a utopian conceptualization of social orders. In fact, Bernard Mandeville puts Smith's ideologies into a more realistic perspective of modern urban areas where decadence, hedonism, and criminality is viewed as an unavoidable consequence of communal living. However, this is only true because 'modern' social orders are based on faulty, abusive, and oppressive 'spare the rod, spoil the child' child-rearing customs and norms; and in the process produce the Narcissists and Psychopaths, who live by Machiavellian customs and norm. Unfortunately, these norms produce social orders whose 'demands' are based on 'needs' which are counter-productive and self-destructive to the individual, as much as the entire social order and their economies. The final stages that Marx theorizes Industrial societies will go through, after their decay and self-destruction, resembles that of primitive social orders, with barter trade and collective property of communities. That does not mean that Marx was ADVOCATING for such a situation, just that it would occur given the trajectory of social orders and economies under predatory and oppressive regimes and ideologies.

Mandevillian economics contends that it does not matter what jobs are produced, only that jobs are produced in order to turn the wheels of 'well-functioning' economies; pointing out that prostitute and drug-pushers produce commerce and jobs. The prevailing policies and practices, as well as ideologies of the economists in power, do NOT take into consideration the Morality and Sustainability of what they are promoting and advocating. In order to have a continual supply of prostitutes and whores, they need to be 'groomed' and taught while they are very young to complacently and willingly 'service' the men. And, is why pedophilia and incest have been such taboo subjects in Christian, as much as Jewish and Muslim social orders. And, in the case of drug-pushers, which of course need a continual supply of drug-addicts (to sugar, tobacco, alcohol, marijuana, cocaine, opioids, pharmaceutical pills, etc.). And, in order to provide those addicts for economies, it is important that abusive and oppressive norms within homes, families, and social orders be maintained.

Another problem with Mandevillian economics is that Narcissists and Psychopaths are so filled with inner-conflict, self-hate, and various pathologies (eg. Munchausen by proxy, hysteria, etc.) that they need a steady supply of outside stimulus and possess an insatiable desire to acquire commodities and 'things'—including people in their lives. They also have an insatiable need for the adrenaline highs they receive from manipulating and controlling others to fill their empty and pointless lives. And, this is why they become SO jealous and vindictive when surrounded by people more industrious or intelligent than they. It is also why these 'terrorist cells' are so willing, and even eager, to collude in the destruction of anyone who threatens the Façade and Allure of Respectability and Civilization that they work SO HARD to maintain with their 'charity work' and 'luxury living'. As Twenge and Campbell explain in their book, *The Narcissism Epidemic*, the Entitled, Narcissists (and their Entitled offspring) are incapable of dealing with ANY kind of REAL challenge or problem, so they just play the 'ignore them 'til they go away games', hoping that 'problems' will miraculously disappear. Unfortunately, the Realities of the world DO NOT miraculously 'solve themselves' because we 'wish them' or 'pray them' into Being.

As Daniel Goleman points out in his book, *Working with Emotional Intelligence*, it is NOT those who excel academically; but rather those with higher levels of empathy, and capable of understanding other viewpoints and perspectives, as well as adept at Reading people, who are TRULY successful in their lives and endeavors. 90% of communication is non-verbal, with alpha-males particularly negligent and incapable of understanding the 'under world' of women, be they alpha-dominance feminists or the caring, women in the community. This is why TRUE Equality and Liberation of women (as much as men) will ONLY be achieved when the 'social world' that women Control and Rule (for Good or Evil) is given the Attention that it Merits.

It does not require that one be an Einstein to understand that a Narcissistic and Psychopathic ruling-elite, that just want to sit around doing as little as possible, living off of the hard work of others, while taking all of the credit—is COUNTER-PRODUCTIVE to Social Orders, as well as their Economies. This FACT begs the question of why adherents to Reaganomics ‘trickle-down’ are at the same time participants, supporters and enablers of the ‘Narcissism Epidemic’ begun in the cocaine-snorting 1980s. The urban Afro-American community’s drug of choice became ‘crack cocaine’ back then, and why the American government, and its ‘experts’ deemed it more dangerous and deadly than powder cocaine. This policy enabled the ‘New Jim Crow’ and incarceration of 90% of black, urban black men in the US, while making light of the same problem amongst the upper-crust, predominately white community, as well as justifying increased funding and armament for ‘security’ forces to protect them and their families.

These are just a few of the many examples of how, and why, Mandevillian economics is UNSUSTAINBLE and SELF-DESTRUCTIVE. So, it also begs the question, of why, with all EVIDENCE to the contrary, the development community is spending untold millions of taxpayers and shareholders money, to promote their much lauded Sustainable Development Goals (SDGs). As PROVEN a Narcissistic and Psychopathic ‘Invisible Hand’ guiding its ‘trickle-down’ distribution of wealth will INCREASES INCOME INEQUALITY, rather than ‘spreading the wealth’ equitably amongst the lower classes. A communist class-less society is as counter-productive and unsustainable as a rigidly structured ‘capitalist’ one, where great dichotomy between the rich and poor exist.

This paradigm ALSO creates greater civil strife and unrest between the classes, with the middle class (a country’s ‘meat and potatoes’ in tax revenues) shrinking, while at the same time providing ‘welfare’ policies for the rich; as well as the poor, so that the rich can Appear charitable, caring and civilized. It is well documented in the development community that ‘charity’ based structures only serve to perpetuate poverty in a social order. So, it begs the question why this same community is contributing to and supporting these structures and paradigms at present?!

The teachings, writings, and messages of the Bible, Torah and Koran are contradictory to the principles and ideologies of Mandevillian economics, as much as the Machiavellian dictates which guide it. However, since the leaders and ‘experts’ in the many factions and sects these documents have produced in the past 2000 years, are plagued with the same hypocritical Narcissists and Psychopaths seeking ‘fame and fortune’, as in other institutions and communities; their True words and meaning have been twisted and manipulated over the generations. Instead of imparting a Moral authority of ‘do on to others, as you would have them do unto you’, religious institutions have squabbled, fought wars, and committed great atrocities in the name of ‘God’ and Truth. And, why the ‘Power Over’, and ‘Dominate or be Dominated’ paradigm in the East and West has created more and more religious institutions, and division within their own followers, during their histories, instead of IMPLEMENTATION of the original dictates and doctrines of their Founders. The secular human rights community has just followed the same trajectory of the religious human rights communities of the past.

As seen time and time again, with the ‘learned intellects’, all of the ‘book learning’ in the world does NOT make people ‘Smart’ or ‘Informed’. Instead, providing educational opportunities to the Narcissists and Psychopaths, particularly higher education, is at its best a WASTE of money, resources and time. And, at its worst—and the case in the situation at hand—is like putting a chain-saw in the hands of a mass-murderer. The ‘rote’ educational system, which ONLY teaches students to memorize and regurgitate information on tests, is doing MUCH DAMAGE to work places, as much as social orders. Not only are these systems producing work forces that are Negligent in 70-90% of the cases. But, they are inflating already over-inflated egos, reinforcing their totally UNMERITED ideas of ‘importance’ and ‘superior intellect’. This group has further been empowered, in urban centers particularly, with high-

paying, ‘cushy’ jobs in ‘professions’ whose objective is to milk consumers and citizens of their hard-earned money, while social media and publicity campaigns espouse lies, disinformation and propaganda to ‘legitimize’ the CON-JOB, and ‘launder’ its profits.

However, deep down these Machiavellian ‘game-players’ know that they are NOT ‘God’s gift to the World’. And, therefore they are threatened by anyone more competent and/or intelligent than they, and afraid that their mediocrity and incompetence will be exposed to others. EVERYONE lives in some fantasy land that each one constructs for themselves with their lies, biases and pathologies—and why ‘mental disorders’ is such a common phenomenon amongst them. This is why they target those that threaten them with bullying and ‘gas lighting’ tactics, as well as ostracize them from labor markets and workplaces, and marginalize them from society. It is also why in labor markets plagued with cronyism and nepotism practices and policies of 85%, negligence rates are at 70-90%! Unfortunately, for all of the Narcissists and Psychopaths who have grappled up the ‘ladder of success’ with diplomas and ‘certificates’ for which they have paid top money, they have become implicated in ‘protection rackets’ within the corporate world, government agencies and international development community. Which is in CLEAR violation of RICO and FCPA, as well as collusion to subvert the US Constitution.

The quantity of money and time that is being wasted for ‘learned’ people to sit around gossiping (aka ‘opining’) and schmoozing is CRIMINAL. The ‘American Dream’ role model that has been provided to the world for the past 50 years (if not 200+) is one of being Fat, Lazy and Stupid or Anorexic, Lazy and Stupid, and above all Narcissistic and Psychopathic. The US and its American Dream of Integrity, Honor, Hard-work, and Honest pay for an Honest day’s work, and where ‘ladies’ were Ladies and ‘gentlemen’ were Gentlemen of the Puritans and Quakers is DEAD and BURIED. And, the ones who Murdered it were the Industrialists, Technocrats, and Imperialists who are too busy seeking to become the New Masters of the Universe to care about the consequences of their actions.

The fact that the American ruling-elite and government is just seeking to replace the British Empire and its predatory, exploitative and oppressive traditions and customs DOES provide justification for a Dissolution of the American government. I, myself have been calling for its [Dissolution since Trump became President](#). And, my position has NOT CHANGED with the entry of Joe Biden and Pamela Harris into the White House, as they will be NO different than the Obama/Biden Presidency, which Sold Out the American People, just like their Democratic predecessors. My ONLY defense with Europeans for the past 40 years, when they criticize American politicians and ‘leaders’, is that the Europeans are just as bad, if NOT WORSE!—to which they would always have to avow, “Touché”!!

Minoritists and Affirmative Actionist

Affirmative Action ideologies, as well as policies and practices have been totally embraced by ALL of the ‘Minority’ groups in their efforts to replace old-guard, white male-supremacists as the New ‘Masters of the Universe’. But, since these groups are just as Narcissistic and Psychopathic as the ‘old-guard’ whites with whom they are vying for power, they have been highly destructive and detrimental to the American social order. Critics of these policies are vindicated, when one actually examines the results of over a century of Affirmative Action by ladder-grapplers seeking ‘fame and fortune’ and to ‘Keep up with the Jones’ in consumption, consumption, consumption, as well as over-indebtedness and self-destructive behavior.

For example, the criticism that affirmative action replaces old wrongs with new wrongs, is CORRECT and demonstrated time and time again in case-studies. It is also demonstrated in the manner in which corrupt and discriminatory court systems are targeting poor black and brown men under penal codes, and white, supremacist laws designed to oppress and marginalize them with the ‘New Jim Crow’. The other

group being targeted and marginalized by courts and discriminatory hiring practices are homemaker seeking to 'opt-in', particularly targeting 'upper-crust' unprotected 'deposed, trophy-wives' who are MORE qualified and skilled than all too many in workplaces filled with 70-90% Negligence rates. The alpha-dominance feminists have only reinforced and perpetuated the misogynistic and discriminatory ideologies of male-supremacists about women's importance in the family, home and marriage, with HR 'professionals' having propagated it through their hiring and promotional practices, which favor minorities and 'fresh meat'.

It is also true that it encourages individuals to identify themselves as disadvantaged, even if they are not, as well as increasing racial tension and hate crimes from each side. I have literally been told to my face, that ALL of the hate crimes to which I have been victim in the past 15 years, in courts as well as workplaces and group homes in DC, are JUSTIFIABLE as it is payback for centuries of injustices by the whites. And, since the legal community adheres to the beliefs and ideologies which justify reverse discrimination, I have NO recourse for all of the many, many torts against me. As seen, all of these practices and policies have undermined the Puritan Work Ethic in the US, and is slowly but surely turning the country into a Third World country, plagued with perpetual poverty and hunger amongst the poor, and hedonism, corruption, greed, and insatiable consumption amongst the rich.

My grandfather was the 1st white man to successfully defend a black man in the 'Deep South' in 1910 in Buter, Alabama. And, Congressman George Taylor (D-AL) was so impressed by his argumentation that he brought him to DC to work in intelligence work for the American government. He eventually became involved in subversive activity, and 'retired' to raise a family in Florida. 1910 was the same year that the National Association for the Advancement of Colored People (NAACP) was formed, under the affirmative action ideologies of W. E. B. Dubois—who was at odds with Booker T. Washington and his belief that affirmative action would be detrimental and counter-productive to 'colored' people. Time has shown that Washington was correct in his assessment of the situation. But, too many Minoritists are making too much money, and gaining too much power, for anyone to revisit 'Affirmative Action' policies and practices.

I often wonder what the trajectory of the US would have been in the past century, if the Afro-American community had taken an interest in my grandfather's case and argumentation, instead of an oppressive and warmongering American government. I also often wonder what the trajectory of the US would have been if Founding Father John Dickinson had prevailed in preventing war, instead of falling into Disfavor and Ostracized after he refused to sign the Declaration of Independence. Or, what would have been the trajectory of England, and the British Empire, if Queen Elizabeth I and British Parliament had heeded the words of clergy man, Thomas Wilcox (co-author to "Admonitions to Parliament", aka 'Puritan Manifesto', 1571). Or, what would have been the trajectory of the British Crown, which by the 1600s had experienced their own 'revolution' during the reign of Charles I, giving rise to the *Magna Carta*, if they had heeded the words of another Thomas Wilcox (1621-1687), with his publication of "A choice drop of honey Out of the rock Christ" and other works?

Conclusion

It does little good to speculate on the past, and how the Intransigency of the Narcissists and Psychopaths in Power seeking to Dominate and Control others has ended in bloodshed and great destruction time and time again. However, if one does not look to the past to LEARN from its mistakes, they will keep repeating and repeating and repeating them. Police officers, as much as other security actors, have as much Responsibility to be INFORMED as to what their government is doing, and ANY illegal or immoral activity in which they are involved, as any other citizen. However, by virtue of the FACT that

they are charged with protecting government officials, who are CLEARLY involved in CLEARLY ILLEGAL activity; their Responsibility is more elevated, and when the Nuremberg Trials II begin, they will be held under the same standards as those they have been protecting.

While I cannot, and will not, EVER advocate for, or participate in ANY violence, NO MATTER, how much the Narcissists and Psychopaths in power try to incite me to it with their STUPID Machiavellian games. I can ASSURE those in Power seeking to Empower all of the various factions in the cesspool, who are seeking Dominance, Control, and Wealth for themselves. Great Violence and Bloodshed will eventually come to the city, as well as country and planet, if the FAILED 'War on Drugs' is NOT stopped, and court systems are NOT CLEANED-UP! This is NOT A THREAT, BUT STATEMENT OF FACT, GIVEN THE EVIDENCE, which NO ONE wants to look at!!

You yourself have now been targeted in a witch-hunt to allocate Blame for the consequences of Congress (the Legislative branch) to DO ITS JOB for decades, if not centuries, on end!! And, therefore you have the opportunity to Use your situation to expose the REALITY of what is going on in Washington to the press (and the courts, if you are ever lucky enough to find a lawyer with the BRAINS and BALLS to take on the cases). As all of the ladies who have been victims of court corruption and legal abuse can attest, finding a lawyer who Understands something about the Law and the Rights of People is liking finding Prince Charming; you have to kiss a lot of Toads to find you Prince—and in the meantime the 'imposters' have milked you for all you are worth. As Congresswoman Eleanor Holmes Norton, who is in REAL 'hot water' with her staffer's 'ignore her 'til she goes away' game with me in the past decade, is VERY MUCH aware of the FACT that advancing the rights of any group needs to be given 'teeth' in the courts, and not just a bunch of blah-blah of 'disgruntled' workers. So, it begs the question of WHY, I have NOT gotten ANY support or assistance from her and her staff?!?!

So, while I may have been nothing more than a Poor, Princess with Her Pea from the 'Golden Age' of the 1980s. I have become a Washington Dowager and Queen Bee, who in her global travels and life experiences, now understands what her 'Pea' was in what seems several lifetimes ago. While everyone else in the interim years has been accumulating useless MBAs and PhDs, or great fortunes through unfair trade practices, I have been LIVING and SEEING the World as it TRULY is, instead of some Fantasy that nouveau-riche, ladder-grapplers wish to promote! The Bubble that Everyone is living under is going to Burst, and security forces in the city, and country, will be on the front line of fire, and amongst casualties and number of dead. Quite frankly, that ANYONE in Congress would accuse you, or anyone else in Capitol Hill Police of being 'complicit' to an Insurrection that THEY are Responsible for creating, just exposes the extent to which they are OUT OF CONTROL!

I invite you to look over ALL of the evidence posted on my activism websites, instead of just filing my name, and information about me and my work into 'some draw to collect dust', like the other 'Swamp-dwellers'. I thank you for your time and consideration, and remain at your disposition to answer any questions you might have.

Sincerely,

Quenby Wilcox
